The screenshot shows the LexisNexis Total Research System interface. The main search area is titled "Command Searching > Utility, Design and Plant Patents". It features a search bar with the text "Patent=5990389". Below the search bar, there are options to "Restrict by Segment" and "Restrict by Date". The "Restrict by Segment" section includes a dropdown menu for "Select a Segment" and a "Add" button. The "Restrict by Date" section includes a "From" and "To" date range selector. On the right side, there is a "Syntax" table with definitions for various search operators. The interface also includes a top navigation bar with links like "Search", "Research Tools", and "Get a Document".
